Contents

1. Study on the status of ground-water quality in villages of padra taluka

*Shailendra Athawale**
Malati Vinayak Joshi

1-6

2. Methods to speed up assembly and improve quality by designing and developing fixtures

*Kamal Kant**
Madhukar Solanki

7-22

3. Investigation of Boron Nitride-based Nano Composite in Cutting Tool for Enhancing Efficiency

*Dr. K. Anandan**
Mr. D. Saravanan
Mr. D. Manivannan
Mr. G. Arun kumar
K. Saravanasuriya

23-38

4. Thevetia Peruviana as a Potential Biodiesel for Diesel Engines: Review Approach

Dr. Praveen Harari

39-50

5. Weldability and electrode life determination of resistance spot welding of secondary coated automotive interstitial free steel

*Md. Tahsin Akhtar**
Amrita Kundu
Soumyajit Koleyb
Mahadev shomeb

Managing Editor's Desk

I am feeling very proud to dedicate the Scienxt Journal of Mechanical Engineering & Technology to the teaching community of our country. I believe that education and knowledge change one's perspective of life. It changes and enhances the lifestyle and quality. Any small efforts taken in this regard give me immense pleasure.

Mechanical Engineering and Technology is considered one of the new and ever-evolving sciences and continually expands in the engineering arena. With this rapid growth, there is a need for improvement in every field. And I feel it is likely to continue as long as there is a need for public infrastructure.

This journal is an endeavour of Scienxt group and is committed to excellence in Mechanical Engineering & Technology education. It will be released quarterly with high-quality content related to contemporary research, articles, documents and book reviews useful to the Mechanical Engineering & Technology fraternity. I hope this journal provides a forum for the International Mechanical Engineering & Technology Community to present and discuss matters of major interest and new developments in Mechanical Engineering & Technology

Scienxt Journals are peer-reviewed open access/ print/ online journals. Various specialised subject areas of focus and scope are Science, Technology, Engineering, Management, Healthcare and different areas of Humanities. We aim to publish high-quality research articles that create impact and ensure sustainability, which will create a better future for the next generation.

With roots in publishing technical and competitive books, the scienxt team understands the need for quality publication of advanced science, technology and health care today. We are proud to be associated with various scientific and scholarly societies and associations, researchers, research institutes and universities across all subject areas around the globe in achieving excellence.

We are a dedicated team of educationists, technocrats, and entrepreneurs with vast experience in various fields. Eminent educationists, industrialists, philanthropists, bureaucrats and scientists around the globe guide the team as advisory and editorial board members. Our collective goal is to promote the use of research facilities for community welfare and technology growth.

In this endeavor, I seek your contributions/participation in whatever capacity. Entire team of Scienxt Journals will be looking for your regular advice, guidance and support as we navigate. We are confident that you would make a valuable suggestion, contribute to the journal, positively impact the research community and bond people with similar interests.

Let's join hands together and work towards discovering science for next-generation-SCIENXT!!

About the Journal

Journal Particulars	
Title	Scienxt Journal of Mechanical Engineering & Technology
Frequency	Triannual (April, August, December)
Publisher	Scienxt Center of Excellence(P) Ltd
Chief Editor	Dr. Pujari Srinivasa Rao
Copyright	@Scienxt Center of Excellence(P) Ltd
Starting Year	2023
Subject	Mechanical Engineering
ISSN	e-ISSN: 2583-9519
Language	English
Publication Format	Print + Online
Phone No	742857881, 7428578883
Email Id	mechanical@scienxt.com; info@scienxt.com

Address	Scienxt Center of Excellence(P) Ltd, Plot No-4, Institutional Area, Sector-16A, Noida, Uttar Pradesh-201301

SJMET-Scienxt Journal of Mechanical Engineering & Technology, double-blind peer-reviewed Journal, disseminates the most recent findings and innovations in various fields of Mechanical Engineering in the form of Original Research, Reviews, Case Studies, Opinions, etc. Journal maintains a Quick Publication process with strict peer review to enhance the quality of content. Every submitted manuscript undergoes peer review by the subject matter experts under the supervision of the Editor-in-Chief or assigned Editorial Board member of the Journal.

The SJMET Journal also publishes conference proceedings.

Scope & Focus

The Scope & Focus of the journals are as follows but not limited to the following topics- Biomechanics; Lubricant degradation; Aerodynamics and fluid mechanics; Structural dynamics; Acoustics interactions; Power generation; Non-linear rotor dynamics; Micromachines; Biomechanical applications; Machinery and machine design; Weapon engineering; Power generation system; Combustion and energy system; Oil fired burners; Materials and structure; Ultrasonic sensor technology; Super hydrophobic surface; Composite materials; Mechatronics; Design and fabrication

*You can submit your manuscript(s) online at
mechanical@scienxt.com ; info@scienxt.com*

Editors & Reviewers

Dr. Vikas Singh Panwar

Assistant Professor, Department of Automation and Robotics, Dr. D. Y. Patil Institute of Technology, Maharashtra, India

Dr. Md. Nizam Uddin

Assistant Professor, Department of Mechanical Engineering and Physics, Texas A & M University-Texarkana, Texas, USA

Dr. Saad S. Alrwashdeh

Associate Professor, Department of Mechanical Engineering, Mutah University, Jordan

Dr. Ivan Peko

Assistant Professor of Mechanical Engineering, Polytechnic Department, Faculty of Science, University of Split, Croatia

Dr. Mohamed Ramadan Gomaa Behiri

Associate Professor, Department of Mechanical Engineering and Energy, Al Hussein Bin Talal University and Benha University, Egypt

Dr. Suman Das

Professor, Department of Mechanical Engineering, Swami Vivekananda Institute of Science & Technology, Kolkata, India

Dr. T. Sathish

Associate Professor, Mechanical Engineering, Saveetha School of Engineering, Tamil Nadu, India

Dr. Somnath Das

Associate Professor, Mechanical Engineering, Swami Vivekananda Institute of Science and Technology India

Dr. Vikas Singh Panwar

Assistant Professor, Department of Automation and Robotics, Dr. D. Y. Patil Institute of Technology, India

Dr. Farhan Lafta Rashid

Asst. Prof., Department of Petroleum Engineering, College of Engineering, University of Kerbala, Babylon City, Hilla Republic of Iraq, Iraq

Dr. Mehdi Jahangiri

Assistant Professor, Department of Mechanical Engineering, Energy Research Center, Shahrekord Branch, Islamic Azad University, Shahrekord, Iran

Dr. Jitendra Balasaheb Satpute

Assistant Professor, Department of Mechanical Engineering, SRTTC, India

Dr. Prasad Dattatrya Kulkarni

Associate Professor, Department of Thermal Engineering, Annasaheb Dange College of Engineering and Technology, India

Ajay Kumar Agarwal

*Associate Professor, Department of Mechanical Engineering, J. B. Knowledge Park,
Haryana, India*

K.CH. Kishor Kumar

*Associate Professor, Department of Mechanical Engineering, Gudlavalleru Engineering
College, India*

Aniruddha Shivram Joshi

*Assistant Professor & HOD, Department of Automobile And Mechanical Engineering,
Rajendra Mane College Of Engineering And Technology, India*

Parag Vinayak Bute

*Assistant Professor, Department of Mechanical Engineering, SRTTC Faculty of Engineering,
India*
