

## Indexing

---

**Scienxt** understands the importance of enhancing visibility and scientific discoverability of all published articles in abstracting and citation (indexing) databases, well-known in the international scientific world.

The Scienxt Committee is doing their best to make our authors and their papers visible and accessible from almost everywhere on the web - because authors' impact is our highest priority! We working with the major scientific databases in order to increase the visibility and ease of use of **Scienxt Journals**.

### **The Journal now is in various stages of process of indexation in:**

DOAJ; BASE; BHL Citebank; CrossRef; Dimensions; EBSCOhost; RSCI (RINZ); EZB; FreeFullPDF; GALE Academic OneFile; Genamics JournalSeek; GoOA; Google Scholar; J-Gate; JournalGuide; JURN; Mendeley; MIAR; Microsoft Academic, OALIB, PAPERITY, ProQuest, Science Open, Ulrichsweb™, Unpaywall, Inspec, IFIS – FSTA, ICI – Copernicus, Internet Archive.

### **The Journal issues will be archived in:**

CLOCKSS; Zenodo; Library of Congress; Portico; British Library; Figshare; Academia; Scribd

## Digital Object Identifier (DOI)

---

The Scienxt team is committed to work towards spreading the research work far and wide. Scienxt offers Free Paper Publication in all its print and online journals.
